<h2>Tutorial/ Guide</h2>	
What do you use it for	A portable phone Android Apps: Google earth Street view My Heritage
Tutorial	<p>The following apps are installed on a mobile phone:</p> <p>Google earth</p> <p>Street view</p> <p>AZ Screen Recorder (or another app that allows you to record the screen)</p> <p>My Heritage (or another app that allows you to animate photographic portraits)</p> <p>Using Google earth you "virtually reach" the place you want to show, in the example the Norman Arch of Mazara del Vallo and then two Garibaldi places also in Mazara (the Garibaldi theater and the house where he spent a night in Mazara).</p> <p>Using an application to record the mobile phone screen, virtual journeys are recorded, which will be edited on video followed by the statements of the animated historical characters.</p> <p>Street view</p> <p>Create photos with a phone</p> <p>Open the Street View app Street View.</p> <p>Tap Create Add photo.</p> <p>In the bottom right, tap Camera Take photo.</p> <p>Take a series of photos.</p> <p>At the bottom, tap Done Done.</p> <p>Your 360 photo is stitched together and saved in the "Private" tab on your phone. The photo is also saved on your phone (unless you turned this setting off).</p>
